MISSION ABUNDANCE · WORKSHEET

Release the Contest

EPISODE
2 · STEP 4

> *Comparison turns life into a race with no finish line. Step off the track onto the open field, where value is created and there is room for everyone.*

DO

- [ ] Notice one comparison today.
- [ ] Name it gently, without judgment.
- [ ] Bless that person silently and sincerely.
- [ ] Create one small thing today instead of competing.

SAY

"There is room for all of us."

"Their light is welcome."

"I create my own."

REMEMBER

> Attention spent on their lane is light taken from your own.

> Their success is proof of what is possible, not a threat.

> Make more. Don't take more.

REFLECT

Who do I compare myself to most, and what does their success show is possible?

Where can I create this week instead of compete?

How did my own light change when I blessed them?
