The Clear Vision

DEEP DIVE
STEP 2

> *A vague wish stays a wish. Know exactly what you want, write it down, and hold the completed picture with gratitude.*

DO

- [ ] Write one page describing your completed vision, in the present tense.
- [ ] Make it specific: what it buys, what it builds, and who you become.
- [ ] Read it once in the morning and once at night.
- [ ] When an obstacle grabs your attention, return your light to the vision.

SAY

"I see it clearly."

"Thank you. It is already on its way."

"My attention feeds my vision."

REMEMBER

> You cannot move toward a blur.

> Attention feeds what it touches.

> Clarity plus gratitude becomes faith.

REFLECT

My completed vision, in one sentence:

Where I am, who is with me, how it feels:

The obstacle I will stop feeding:
